

## SAVE FITZROY'S HERITAGE HAVE YOUR SAY

The proposed 11 storey expansion of St Vincent's Private Hospital will involve demolition and part-demolition of heritage buildings, as well as undermining existing heritage protections to excavate and build over properties of state significance on the Victorian Heritage Register. It will affect unique historical sites on Victoria Parade and Brunswick Street, Fitzroy.

Yarra Council determined to issue a Notice of Decision to Grant a Permit at its [Internal Development Approvals Committee \(IDAC\)](#) meeting on 12 July 2017, subject to conditions. The permit applicant, St Vincent's healthcare Limited, has

appealed the conditions. The matter will be heard by VCAT on 15 January 2018.

Concerned residents support the Council conditions and are parties in these proceedings.

Please help us gather important information to present at the VCAT hearing.
